Advisory Committee (Appeals)

The Advisory Committee (Appeals) constituted by the Council had 8 sittings during the year under report. This Committee heard 127 out of the 191 appellants who appeared in person before the Committee to plead their cases for registration as architects under section 25(b) during the year under report. The Committee had its sittings at Calcutta and New Delhi.

The recommendations of the Advisory Committee on 176 appeals were placed before the Council at its meeting held on 17th September, 1979. The recommendations of the Committee on 75 appeals heard on 11th and 12th March, 1980 are being placed before the Council at its next meeting for consideration.

The Advisory Committee recommended to review all cases where persons, who have not actually been engaged in practice for more than 5 years prior to 27-4-1974, have been registered under section 25(b) of the Architects Act, 1972. Action on this recommendation is still to be initiated.

Registration

The Council received 569 applications for registration during the year under report—525 applications under section 25(a) and 44 under Section 25(b) of the Architects Act, 1972. Out of 525 applications received, 503 have been registered under section 25(a) and Original Certificates of Registration have been issued to them. The remaining 22 applications are in various stages of scrutiny for which the applicants have been requested to forward documentary evidence in support of their claims for registration. Out of 44 applications received under section 25(b), 41 applications were rejected as they were not found eligible for registration. The remaining 3 applications are in various stages of scrutiny. 18 applicants out of 41 rejected have appealed to the Council of Architecture against the decision of the Registrar for reconsideration of their applications. The number of architects registered during the year under report is 550. The statement indicating the position of registration during the year under Report and the position of registration as on 31st March, 1980 are appended to the Report.

The Council has also sought the assistance of its members for registration of applications under section 25(b) of the Architects Act, 1972.

Registration Renewal/Restoration

The renewal fee of Rs. 40/- for the year 1980 was due from 3872 architects for retention of their names in the Register of Architects maintained by the Council. The names of 1206 architects have been removed as defaulters due to non-payment of renewal fee by the prescribed date i.e. 31st March, 1980. 435 names of architects whose names were removed as defaulters due to non-payment of renewal fee during 1977, 1978 and 1979 have been restored on payment of the prescribed restoration fee. The details of restoration are indicated in the enclosed statement.

The response from architects for payment of renewal fee in advance to overcome the difficulties experienced by them in annually renewing the registration has been encouraging.

Removal of Names

The Council regrets to note that the names of the following registered architects had to be removed from the Register of Architects due to their sad demise.

| S. No. | Name of Architect | Registration No. |
|--------|--------------------------|------------------|
| 1. | S. H. Parolkar | CA/75/775 |
| 2. | K. G. Kasbekar | CA/77/4267 |
| 3. | M. B. Achwal | CA/78/4650 |
| 4. | Manmohan Singh Sajni . . | CA/75/1247 |

Code of Ethics Etc.

The Council of Architecture considered at its meeting held on 17th September, 1979 the documents on Architects (Professional Conduct) Regulations, 1978 and Architects (Conditions of Engagement and Scale of Charges) Regulations, 1978 and also the comments received from the Central Public Works Deptt. through the Ministry of Education & Culture.

The President informed the members at this meeting that the comments of the C.P.W.D. would be examined in detail for incorporation, if necessary, wherever possible whereupon the Council decided to authorize the Executive Committee to consider the comments received from the C.P.W.D. through the Union Ministry of Education and Culture and to finalize the documents for forwarding to the Central Government in terms of the provisions of the Act.

The Executive Committee, considered at its meeting held on 16th January, 1980 at Ahmedabad the comments of the C.P.W.D. received through the Ministry of Education and Culture on the documents on Architects (Professional Conduct) Regulations, 1978 and Architects (Conditions of Engagement and Scale of Charges) Regulations, 1978. The Committee approved these documents incorporating the com-

ments of the C.P.W.D. wherever necessary for forwarding to the Central Government. These documents have been forwarded to the Union Ministry of Education and Culture for approval in terms of the provisions of the Act.

Finances

The audited statement of accounts of the Council for the year ending 31st March, 1980 is appended to the report. The financial position of the Council is not very encouraging in relation to the magnitude of work which the Council is expected to do. The Council regrets to note that in spite of the efforts made including personal meetings of the President with the Honourable Minister of Education and senior officials, the Central Government did not sanction the grant-in-aid during the year under report. The Council could not also repay the interest free deposit loan instalments during the year under report. The Council noted with regret that while most of the State Governments have agreed to meet the expenses on travelling of their nominees for attending the meetings of the Council/Committees, the authorities of the All India Council for Technical Education are still to agree to bear the TA and DA of their nominees for attending the meetings of the Council/Committees. Similar appeal to the professional bodies and educational institutes to bear the TA and DA of their representatives have not to date been fruitful.

Publication of Council

The Council has published the list of architects with their professional addresses whose names are borne in the Register as on 1-4-1979. The names have been arranged alphabetically.

The Council has received, from time to time, complimentary copies of the following publications from Unesco Regional Office for Education in Asia, Bangkok, Thailand :—
